You have 14 points but so what. You have no 5-card suit to Overcall. You cannot make a Takeout Double with 4 of their suit. So you pass. It is important to realize that there are hands you would open but cannot overcall with.

You really don't like partner's ♠s, and you do have 8 points. But 8 points is not enough to be considering game, and you would have to bid your ♥s at the 2-level. All things considered it is better to pass while you still aren't doubled.
