[show S] [BID Pass] [show NS] NORTH has a perfect hand for an opening bid of 2 ♠.

SOUTH will be tempted to respond with his opening hand and good trump support, but he should resist the temptation. To raise a Weak Two-bid to game you should have quick winners, not just points.

[show S] [BID 4!S] [show NS] NORTH has the same hand as in Deal 1 and again opens 2 ♠.

This is the type of hand SOUTH needs to bid game. Notice that even with all those winners the pair is nowhere close to having a slam. The will probably make just ten tricks.

This time SOUTH has a very poor hand without any chance of making game. However, he should bid 4♠ anyway.

It is very likely that the opponents can make 4♥ if West gets the opportunity to get into the bidding. Hopefully the 4♠ bid will shut him out, and 4♠ probably won't go down more than a couple of tricks.

[show S] [BID 3!D] [show NS] SOUTH has a pretty normal preemptive 3♦ bid.

NORTH has the equivalent of an opening 1NT bid and will be very tempted to bid 3NT.

That might turn out to be a disaster, particularly if NORTH is unable to reach the SOUTH hand.

NORTH should assume SOUTH can win six tricks if ♦s are trumps. Thinking this way points NORTH to her best call - PASS.

Nope, no slam here. Suppose NORTH has six ♥s headed by the AK. The trump suit would certainly be solid, but then NORTH couldn't possibly have an outside Ace as well or he would have been too strong for a Weak-two opening. So SOUTH just bids 4♥.
