Partner's Splinter Bid in ♣s has really made your hand look good. With no losers in trumps or ♣s you need to find out about the other two suits. So you invoke Blackwood and partner replies 5♥.

If partner can take care of your three ♣ losers you will have just one ♠ loser at most. So you bid 6♥. Maybe you should have bid 7♥.

Following your Jacoby 2NT response, partner bids 3♥, showing a singleton. What is your next bid?

Your ♥ holding hasn't been enhanced by partner's singleton. You feel like just signing off at 4♠ but since you can show the ♦ control below that level you bid 4♦. It didn't matter since partner now signs off at 4♠.

You have a great hand, but no singleton to show. Since you have a 6-card ♥ suit you bid 3♥. Partner replies 3♠.

Partner has control-bid the ♠A. He may also have one or both of the Minor Aces since he would have bid the cheapest control first. You use Blackwood. He replies 5♦.

Oops. Despite all the points you are missing two Aces. So you thank Mr. Blackwood and sign off at 5♥.

You don't want to make a Splinter Bid with a singleton King so you content yourself with a Jacoby 2NT bid. Partner rebids 4♦. What do you say next?

The 4♦ bid shows a 5-card ♦ suit. What you need to know now is how many Aces partner has. You bid 4NT and he answers 5♥.

He has two Aces so you bid 6♠.

With 18 points you want to show your extra strength. Since you have only 5 trumps you show the strength by bidding 3NT. Partner then bids 4♣. What do you say next?

Now is the time when **YOU** would make a control bid. And if you had either red Ace you would do so. Since you don't have one, you have no option but to say 4♠. Partner recognizes that you are off those two Aces and passes.
