3♥ by North

You dealt this hand.

You open with a Weak 2-Bid, 2♥. Partner responds 2NT. What do you say next?

The 2NT bid is forcing. Your ♦K is a feature, but your immediate priority is to let partner know that you have a minimum strength opener, 6, 7 or 8 points. So you rebid 3♥. Partner passes.

You should raise to 4♠. Not that you expect partner to make it, he probably cannot. Your raise is a preemptive measure, hoping to prevent the opponents from finding their ♥ fit.

You dealt this hand. You open with a Weak 2-Bid, 2♠. Partner responds 2NT. What do you say next? The 2NT bid is forcing. You have 11 points so you cannot reply 3♠. And your suit is not A K Q x x x so you cannot reply 3NT. That means you must bid a "feature" and your ♥Q is the best you have. You bid 3♥ and partner says 3♠.

Pass. When you have already described your hand perfectly, partner becomes the Captain.

You should jump to 4♠, hoping to shut them out of their ♥ slam. As you can see they have at most one ♠ loser. Down 4 doubled for your side is much better than letting them bid and make a slam. Of course we know they should have continued bidding, but opponents sometimes make mistakes.
