All Pass

4♦ by North

You dealt this hand.

With 10 points and a great 6-card suit this is a perfect Weak 2-Bid. You open 2♦. East passes and partner jumps to 4♦. West passes.

This is not an invitation to bid game. If partner had game interest he would bid 2NT. Apparently he is trying to preempt the opponents out of their hand and apparently it is working. You pass.

You should pass. You have 15 points, and if partner has the maximum of 11 it seems you might be able to make a game. But your points are trashy points. What a Weak 2-bidder usually needs are Aces and Kings, while you have an assortment of Queens and Jacks.

You dealt this hand.

This is very solid. So you open 2♠. Partner responds 3♠.

You say "pass". Partner has no interest in game since he didn't bid 2NT. This is a preemptive raise only.

You dealt this hand.

You open with a Weak 2-Bid, 2♥. Partner responds 2NT. What do you say next?

The 2NT bid is forcing. Your ♦K is a feature, but your immediate priority is to let partner know that you have a minimum strength opener, 6, 7 or 8 points. So you rebid 3♥. Partner passes.

You should raise to 4♠. Not that you expect partner to make it, he probably cannot. Your raise is a preemptive measure, hoping to prevent the opponents from finding their ♥ fit.
