3♠ by North			

You dealt this hand. You open with a Weak 2-Bid, 2♠. Partner responds 2NT. What do you say next? The 2NT bid is forcing. You have 11 points so you cannot reply 3♠. And your suit is not A K Q x x x so you cannot reply 3NT. That means you must bid a "feature" and your ♥Q is the best you have. You bid 3♥ and partner says 3♠.

Pass. When you have already described your hand perfectly, partner becomes the Captain.

4♠X by East

You should jump to 4♠, hoping to shut them out of their ♥ slam. As you can see they have at most one ♠ loser. Down 4 doubled for your side is much better than letting them bid and make a slam. Of course we know they should have continued bidding, but opponents sometimes make mistakes.

You dealt this hand.

You open with a Weak 2-Bid, 2♦. Partner responds 2NT. What do you say next?

The 2NT bid is forcing and your suit is A K Q x x x. This is the standard guideline where you must rebid 3NT. When you do, partner passes. Nice.

You should raise to 4 ♠ because that is what you expect partner to make.

You dealt this hand.

You open with a Weak 2-Bid, 2♥. Partner responds 2NT. What do you say next?

The 2NT bid is forcing and you have better than a minimum. You show your "feature" by bidding 3♣. Partner now bids the game.

One of the characteristics of Weak 2-Bids is that Responder often is unsure how high to go. That's why the 2NT bid is such a great tool. In this case you bid 2NT and partner says 3♥.

Well, you weren't sure whether to take partner to game or not, so when he says he has a minimum hand you have to pass.
