You only have 8 HCP but with such a good 6-card suit you should interfere with a DONT bid. You double and partner surprises you by saying 2♥.

There is a reason partner didn't say 2♣ (which you were going to pass). And the reason is that he figures you will be better off in his ♥s. Since you trust your partner you pass.

4♥ by South

Since partner has entered the bidding in the immediate seat he should have a pretty good hand, with 9+ cards in ♥s and ♠s.

Usually you are happy to settle for partscore after a DONT sequence, but with such an excellent fit for ♥s your hand is worth a raise.

So you bid 3♥ and partner says 4♥.

You have only 7 HCP but expect partner to have a reasonable hand since West could not keep the bidding open. With your black 2-suiter you bid the lowest one, 2♣.

Partner says 2♦.

Partner's 2♦ bid, the next suit up the line, asks you to name your other suit (or pass if your other suit is ♦s).

You bid 2♠ and everybody passes.

4♠ by South			

You would have opened 1NT but West beat you to it. You cannot double for penalties when you use DONT, so you pass.

Partner bids 2♠ in the balancing seat.

The 2♠ bid shows a weak hand, with more strength partner would have first doubled, then bid 2♠.

Still, you know he has a 6-card suit and you also know that every finesse is going to work. You either bid 3♠ or 4♠. Be bold.
