With 12 points opposite partner's 15-17, this is a forcing-to-game hand. If it had not been for the ♥ overcall you would just have jumped to 3NT.

Playing lebensohl you do the same thing, jump to 3NT. Since you went directly to 3NT you are telling partner you have that type of hand, but DO NOT have a ♥ stopper (DIRECT DENIES).

Partner does have them stopped so he passes.

Partner's 2NT bid requests that you bid 3♣, so you do.

He next says 3NT.

Partner's bidding shows a hand with which he would have bid 3NT without the overcall. Furthermore, he promises a ♥ stopper. He expects you to pass, so you do.

With your 12 point balanced hand you know you are going to play in game. Since you have no interest in looking for a 4-4 Major suit fit you also know that game is going to be 3NT. But you can't actually BID 3NT, because partner would almost surely take you out to a minor suit. Remember, a DIRECT 3NT bid DENIES a stopper in their suit. Since you have West's ♠ suit stopped, you first bid a lebensohl 2NT.

Partner says 3 ♣.

You now complete the picture of your hand by bidding 3NT. (SLOW SHOWS). Partner passes.

Playing lebensohl, when partner doubles the overcall it is for penalties.

Since you trust your partner, you pass.

With 9 points you don't want to sign-off with 2♥.

But you aren't strong enough to force to game with a 3♥ bid either. So you start an invitational sequence by bidding 2NT.

Partner says 3♣.

Now you bid 3♥. Partner will realize you have better than a sign-off, but were not good enough to bid 3♥ immediately. He has a maximum, and he knows you have a 5-card suit, so he bids 4♥.

Partner's bid asks if you have 4 ♠s, and denies a ♥ stopper. (DIRECT DENIES)

You don't have 4 ♠s, nor can you stop ♥s. You have no choice but to bid one of the 4-card Minor suits, so you go up-the-line and bid 4♣. Partner bids 5♣.
