With 18 points and 5-5 Major suits you are up in the high-level Michaels category. You bid 2♦ and partner responds 2♥.

Yes, you have a high-level Michaels hand but don't get carried away. Remember that you forced partner to bid. Any bid at all by you at this point will show 17+ points, so you just raise to 3♥. Partner has a weak hand and passes.

Partner wants you to bid ♥s or ♦s. You figure that in either of the red suits you will have a 7-card fit. You hope to do better than that in ♠s. So you bid 3 ♠ and everybody passes.

You have 20 points and two good 5-card Majors so you bid a Michaels 2 ♣. Partner responds 2 ♠. What do you say next?

Partner may have as few as zero points and as many as 13 or so. You **COULD** bid an invitational 3 ♠, but if he has only 5 or 6 points he will pass. Looking at your hand you only need to find partner with ♠ J x x to have a good shot at game. So go ahead and bid 4 ♠.

Will you look at that. Partner has only 2 points, but what great ones to have!

Partner has 5 of each Major suit so you know of a good 9-card ♥ fit. You have a nice hand and must decide between inviting with 3 ♥ or bidding the game on your own. You decide to bid the game so you say 4 ♥ and everybody passes.

This is a really good hand for Unusual Notrump. You bid 2NT and partner says 3 ♠.

Partner apparently has a big hand. His cue-bid is forcing, and probably means he wants to be in game. But for now you can just show your minimum strength and give a suit preference. You bid 4 ♣ and partner raises to 5 ♣.

Many times at Bridge you want to fight for the contract. This isn't one of them. With 6 HCP and only four cards total in partner's two suits just let the opponents have it. You pass.
