NORTH has a pretty good hand, and when SOUTH shows ♥ support she naturally thinks about slam.

She has all four Aces but she wants to know about Kings. Unfortunately she can't start at 5NT because that has a different meaning, so she goes through the 4NT sequence even though she already knows the Ace answer.

Finding SOUTH with two Kings was what she wanted.

NORTH is just shy of a 2♣ opening bid, and when SOUTH shows 13-15 points NORTH wants to be in a slam.

NORTH cannot use Blackwood because 4NT would be a natural invitation, but with SOUTH's latest bid being 2NT he can use Gerber.

Two Major Aces and two Minor Kings fill the holes in NORTH's hand so he bids 7NT.

NORTH thinks slam may be possible, so she uses Blackwood.

And that's what Blackwood is really good for - keeping you out of slams when you are missing two Aces!

SOUTH knows NORTH has at least five ♠s, and they might provide discards for two or three of her minor suit losers.

She tries Blackwood and, sure enough, NORTH comes through with two Aces.

Even with all the Aces SOUTH knows there are not enough points for Grand, so she bids 6♥.
