Compare this to Deal 10.

SOUTH has the strength for a raise to game in ♠s, but this could be dangerous since NORTH has overcalled rather than opened. Instead, SOUTH shows her strength with a Support Cue-bid.

NORTH has very minimal overcall so he just bids 2 ♠ which SOUTH passes.

EAST has a maximum 1♥ opening bid.

WEST would have made a Limit Raise in ♥s, but after SOUTH's overcall she makes a Support Cue-bid instead.

EAST thinks there may be a slam and bids 4NT Blackwood to check for Aces. When WEST admits to one Ace EAST bids the slam.

NORTH has 9 points a a ♥ suit - good enough to make a Negative Double over WEST's 1♠ overcall.

But SOUTH doesn't have ♥s, she has ♠s and ♦s, so she bids 1NT to show her ♠ stopper and a minimum opener.

NORTH should pass.

With five ♠s WEST bids the suit rather than making a negative double.

EAST knows this shows a 5-card suit so he can support with only three ♠s.

WEST doesn't have anything extra so she passes 2 ♠.

SOUTH has both Majors and planned on bidding 1♥ first, (up-the-line). After EAST's overcall, SOUTH makes a Negative Double, showing both Majors and at least 10 points to make a 2-level Negative Double.

NORTH bids 2♥, showing a 4-card suit and minimum opening hand. Notice that this is not a Reverse by NORTH, showing extra strength. She is not really bidding ♥s on her own, she is supporting partner's suit.

SOUTH has 13 points so he bids 4♥.
