EAST has 13 points but she has to pass. She cannot Double without support for ♥s. She cannot bid 1NT without 2 more points. She cannot overcall 2♣ with a terrible suit like that.

And WEST of course must also pass.

SOUTH obviously has to pass when EAST opens 1 ♠.

NORTH has a reasonable Takeout Double. She hopes SOUTH will name a suit and they can just play a partscore.

You should almost always bid when partner makes a Takeout Double. Almost always. This is the one time when you don't. SOUTH's ♠ are so good that he passes, converting the Takeout Double into a Penalty Double.

SOUTH has a normal overcall of 1 ♠.

NORTH has a really good hand, but he doesn't have to worry about missing a slam since SOUTH will not have more than 16 points. So he just bids what he thinks SOUTH can make, 4 ♠.

EAST has 12 points and a good enough suit to
overcall 1 ♥.

WEST has 9 points with a good ♦ stopper. She bids
1NT.

EAST has nothing more to say, and lets WEST play
1NT.
