NORTH bids 3NT to show a good hand with five
♠s.

SOUTH shows his ♦ control, and NORTH then
shows her ♥ control.

A final check with Blackwood shows two Aces
missing. Too bad.

EAST shows his 6-card ♠ suit by bidding 3♠.

WEST shows her ♣ control and EAST shows his ♥ control, but it seems neither has a control in ♦s.

So they stop in game.

SOUTH might just use Jacoby 2NT since he has great ♥ support and more than 13 points. But, he has so much more than 13 points that he should inform partner by making a jump-shift. He plans to return to ♥s later.

NORTH has different plans. Knowing partner has five ♠s and 17 or more points she pushes straight to the ♠ slam.

It didn't matter, slam is cold in either Major.

EAST might jump-shift, but with no 5-card suit prefers to use Jacoby 2NT.

WEST shows some extra strength plus a 5-card ♣ suit with his 4♣ bid.

When EAST's Blackwood discovers two Aces in WEST's hand she goes right to 7♠. She knows WEST has only three red cards and her ♥A ♦AK will take care of them. She figures WEST can ruff out any ♣ losers.

SOUTH bids 4♣, showing ♥ support, 13+ points and a singleton or void in ♣s.

NORTH first shows her ♦ A, then, when SOUTH signs off, makes one more try by showing her ♠ A.

SOUTH finally gets inspired and bids the slam.

WEST has a very minimum 2NT bid, but when EAST shows ♣ shortness she can Control-bid her ♥A without showing extra values.

EAST's hand became huge when he heard about WEST's ♥A. When Blackwood shows they hold three Aces he bids what he expects to be a comfortable slam.
