SOUTH has four cards in each Major suit - this is an ideal situation for Stayman.

NORTH shows a ♥ suit and SOUTH immediately bids game in that suit.

Stayman convention works just fine after a 2NT opening, just at a higher level.

WEST knows that 6 points will be enough for game opposite EAST's 20-21, she just needs to find out if there is a 4-4 Major suit fit. There is, in ♠s.

NORTH has five cards in each Major and SOUTH opens 1NT.

First NORTH bids 2♥, indicating a 5-card ♠ suit with the Transfer bid. Then, after SOUTH bids the obligatory 2♠, NORTH jumps to 4♥, promising enough strength for game, and also five ♥s to go with the five ♠s.

SOUTH prefers ♠s, so she corrects the contract to 4♠.

With 12 points and five ♠s, when EAST hears her partner open 1NT she knows there is a game - either 3NT or 4♠.

EAST first transfers WEST to ♠s, then jumps to 3NT, giving WEST the choice.

WEST has three ♠s, so he chooses 4♠, taking the 8-card Major fit.

After NORTH opens 2NT, SOUTH is pretty sure there will be a slam in ♥s. But, the contract should be played from the NORTH side so the opening lead doesn't go through any vulnerable ♠ holding NORTH might have.

SOUTH transfers NORTH to ♥s, then uses Blackwood to be sure they aren't off two Aces. Missing one Ace he settles for 6♥.

WEST has an invitational hand, (9 points), after EAST's 1NT opening. With a 4-card ♠ suit she uses Stayman.

EAST then shows his 4-card ♥ suit.

With no ♥ fit, WEST can only invite with 2NT, an invitation which EAST declines.
