All Pass			
4♥ by North			

NORTH has a minimum 1♥ opening bid - 13 points and five trumps.

SOUTH also has opening hand strength, 14 points for him. He also has four of NORTH's ♥s. He applies the "He who knows, goes" principle and bids 4♥.

IMPORTANT NOTE: Most experienced bridge pairs would not bid the hand quite this way, although they would arrive at the same contract. See some of the other BakerBridge lessons for more details.

6 ♠ by East

EAST has a powerful hand (21 points) with a good 6-card suit. He opens 1 ♠.

WEST has an 11-point Limit Raise with four trumps. She jumps to 3 ♠.

EAST now knows that the partnership holds at least 32 points, perhaps 33. Since he can see that the opponents have no way to win the first two tricks he decides to bid the slam, 6 ♠.

All Pass

4♠ by South

SOUTH has 14 points and opens 1♠, her 5-card Major.

NORTH could bid 3♠, a Limit Raise with his 11 points. But it is often a good idea, when you have five of the Major suit that partner opened with, to just go ahead and bid the game. So North should bid 4♠ here.

See the NOTE in Deal 13. When you use weaker 5-card support hands for your jump to game, you need to find another way to describe your opening-hand-strength type hands.

South

WEST has 13 points so he must open. He has five ♥s so he should open 1 ♥.

EAST, with 14 points and four ♥s knows there are enough points for a game contract and at least nine ♥s between the partners. She who KNOWS, GOES, so EAST bids 4 ♥.

This is similar to Deal 13.

NORTH has 20 points, a pretty strong hand to open 1♥.

SOUTH has 12 points, and makes a Limit Raise, a jump to 3♥.

NORTH is very, very close to bidding a slam. But she knows SOUTH has 12 points at most, so she should take the safe position and just bid 4♥.

WEST passes to start with since he only has 9 points.

EAST naturally opens 1♠ with her 13 point, 5-card ♠ suit hand.

WEST might now make a Limit Raise since his hand is now worth 11 points because of the two doubletons. However, with six trumps he should jump all the way to 4♠.
