NORTH expects to be better off in ♠s than SOUTH would be in 2♥.

Whether or not you play a new suit as a one round force or not, SOUTH should make the 3♠ bid with a hand this good. NORTH then bids the ♠ game.

SOUTH has a pretty normal 3♥ opening bid.

NORTH, however, has a big hand, and she launches into Blackwood.

When SOUTH shows one Ace NORTH can bid 6♥ with confidence.

SOUTH doesn't have much of a 3♣ opening bid.

But NORTH has just the type of hand you need to bid 3NT after partner's preempt. The other three suits well stopped, and certain entry in Opener's long suit. Notice here that 3NT is a good contract, but 5♣ would go down 1.

When SOUTH opens with a Weak 2♥ bid, NORTH knows she will force to game but is thinking about slam.

But first she needs to know if SOUTH has anything extra. She bids 2NT to get more information.

SOUTH returns to ♥s to show bare minimum so NORTH settles for game.
