Here NORTH has the kind of hand you need to raise a preempt to game.

NORTH assumes that SOUTH has a hand with six winners in it. He can provide four more, so that is just enough for game. He bids 4♥.

SOUTH has a 7-card ♠ suit but he is too strong to open with a preemptive bid. So he opens 1 ♠ instead.

NORTH should respond 2 ♣, and SOUTH can do nothing but rebid the ♠ suit.

NORTH thinks there should be game and bids 4 ♠

4♥ by South

SOUTH is too weak to open 1♥ but just right for 2♥.

Wow! NORTH has 21 HCP and two good ♥s. Could this be time for a slam try?

Nope, no slam here. Suppose SOUTH has six ♥s headed by the AK. The trump suit would certainly be solid, but then SOUTH couldn't possibly have an outside Ace as well or he would have been too strong for a Weak-two opening. So NORTH just bids 4♥.

2♥ by South

NORTH really hates that 2♥ opening by SOUTH.

But there's no sense bidding and probably making matters worse, so she grits her teeth and passes.

If you think 3NT has a chance you are delusional.
