5♠ by North
Lead: ♣6

You have a very big hand. But there is no need to start jumping before you know whether you have a fit. So just bid 1♠, partner cannot pass this bid.

Partner now surprises you with a jump to 3♠!.

Wow! Partner has 16 and you have more than that. Slam appears certain, by why not check for Aces? So you bid 4NT and partner answers 5♣. What do you say next?

You probably say "Oh Darn!" or perhaps something less printable. But then you just sign of at 5♠.

5♦ by East
Lead: ♠Q

That is great support, but always remember when supporting a Minor that partner might have only 3 of them. So you bid 2♦. Partner jumps to 4♦.

You were cautious with your first bid, but that is over now. Partner didn't open with a 3-card suit, he really has ♦s. He bypassed 3NT in a flash, so he has no interest in playing anywhere but a ♦ contract. He invites you to bid game if you have something extra above the 6 points you already promised. You have a lot more than that, so you bid 5♦.
