CUE-BID SUPPORT

ABOUT THE DEALS

You will always be in the South position. Either you or partner may open the bidding.

CUE-BID SUPPORT SUMMARY

Most of us have pretty good methods to show support for the suit partner opens, particularly if it is a Major. With 6-10 points and good trumps we raise to the 2-level, with 11-12 perhaps we use a single jump limit raise, and with a game-forcing support hand perhaps Jacoby 2NT convention or some other method.

But those smooth approaches get roughed up when an opponent overcalls the opening bid. The response becomes less clear because now you have to factor in whether a raise is "real" or is just an attempt to compete for the contract - to preempt the level a bit.

Add in the extra fact that methods like Jacoby 2NT are OFF after an opponent's overcall and the problem gets a little bigger.

Support cue-bid after opponent's overcall:

One small addition to your bidding methods will help a lot and will cost you nothing.

> AN IMMEDIATE CUE-BID OF THE OVERCALLED SUIT
> SHOWS A LIMIT RAISE OR BETTER OF PARTNER'S SUIT.

So the support cue-bid tells partner you have at least 11 points and at least 3 (probably 4) trumps.

LHO	Pard	RHO	You
	1♥	1♠	2♠

♠ K 5 ♥ Q 10 8 6 ♦ A J 7 3 ♣ 9 6 2
With 11 points and 4 trumps you would have jumped to 3♥ without the overcall.
Instead you give partner the good news with a cue-bid of 2♠.

You may be thinking "So what? I could have still jumped to 3♥ even after the overcall so this hasn't helped me at all." Maybe so, but here's where the help comes in.

LHO	Pard	RHO	You
	1♥	1♠	3♥

♠ 6 5 ♥ Q 10 8 6 ♦ A J 7 3 ♣ 9 6 2
Without the overcall you would have responded 2♥.
Now you can jump to 3♥ as a preemptive move.

Even with the jump partner will not overestimate your hand because he **KNOWS** you don't have as many as 11 points. How does he know? Because you didn't make a cue-bid!

Support cue-bid after partner's overcall:

The bid works just as well when the other side opens and partner overcalls.

LHO	Pard	RHO	You
1♣	1♠	pass	2♣

♠ A J 6 5 ♥ 9 8 6 ♦ K Q J 3 ♣ 6 2
Partner might have as many as 16 points so it is important to let him know about both your trump support and strength.

Minor suits:

Support cue-bids can be used when partner bids a minor suit, but of course you need to have more trumps. Since he may have Opened a 3-card suit you should have at least 5-card support to cue-bid.

LHO	Pard	RHO	You
	1♣	1♥	2♥

♠ 9 3 ♥ 7 4 ♦ A K J 3 ♣ A J 8 6 2
There is no upper limit to your strength. Since the cue-bid is 100% forcing you don't have to worry about jumping since partner will bid again even with a weak hand.

Opener (Overcaller) Second Bid:

You are forced to bid again and the trump suit has been agreed. So all you have to do is describe the strength of your hand and let partner decide where to stop. You should assume that partner has just the minimum 11 points.

RHO	You	LHO	Pard
	1♥	1♠	2♠
pass	3♥		

♠ 9 3 ♥ A 9 8 7 4 ♦ A 8 6 ♣ A 5 4
You can count on partner for at least 11 points. With your minimum hand you just return to ♥s and leave any further action to him.

RHO	You	LHO	Pard
	1♥	1♠	2♠
pass	4♥		

♠ 9 3 ♥ A J 10 7 4 ♦ A 8 ♣ A 6 5 4
You can count on partner for at least 11 points. You want to be in game so you bid it.

Partner has a limit raise or better in ♠s.

With your 17 revalued points you know that your side has at least enough for game, so bid 4♠.

You have a pretty good hand and if partner has a limit raise or better you should bid 4♥.

But partner doesn't have a limit raise - if he did he would have cue-bid. So you pass.

You would have bid 2♠ if East had not overcalled.

Instead, with 4 trumps you can jump to 3♠ as a preemptive measure. Partner will not mistake this for a limit raise since you would have cue-bid with 11+ points and support.

The jump to 3 is based on the Law of Total Tricks - bidding to a trick level equal to the number of your side's trumps.
