7NT by South
Lead: ♥6

When NORTH agrees to ♠s, SOUTH will not stop short of a slam. The RKCB 4NT bid tells SOUTH that they have all five Key Cards since NORTH could hardly have a 2♣ opening hand with no Aces.

SOUTH's 5♥ bid is the Queen Ask, and NORTH's reply confirms that she holds the ♠Q, and also has the ♣K.

SOUTH figures the ♠ suit will run, and this should be enough for Grand Slam. He chooses 7NT.

1. Roman Key Card Blackwood
2. 2 key cards with the trump queen

6♠ by South
Lead: ♥K

SOUTH knows there are enough points for slam, but she is worried about the trump suit. NORTH's support doesn't guarantee more than three ♠s, and if they are not headed by the Queen she could lose a trump trick.

Her RKCB bid relieves her mind when SOUTH claims two Key Cards PLUS the ♠Q. She bids 6♠ (and hopes for a 3-2 trump split!).

6♠ by South
Lead: ♣Q

When SOUTH makes a slam try with a jump to 3♠, the best approach for NORTH is to agree on the trump suit immediately but indicate a minimum hand by bidding 4♠.

SOUTH's next move is logical; RKCB 4NT.

NORTH shows zero or three Key Cards, and since it could not possibly be zero, SOUTH knows they are the ♠K and both red Aces. Even possessing all the Key Cards SOUTH knows there aren't enough points for a Grand slam.

7NT by South
Lead: ♠Q

It is usually not recommended to use any form of Blackwood when you have a suit with two quick losers, but SOUTH knows NORTH would not preempt with a 10-high ♥ suit.

NORTH's reply to RKCB is 5♥, showing two Key Cards. SOUTH knows they are the ♥A ♥K so she can count thirteen tricks.

She bids a confident 7NT (and hopes NORTH didn't open 3♥ with a 6-card suit.

5♠ by South
Lead: ♣4

SOUTH has 21 points, and when she hears NORTH make a limit raise she tries for slam with RKCB.

NORTH answers with just one Key Card so SOUTH stops at 5♠, knowing they are missing two Key Cards.

Of course she didn't expect the two missing Key Cards to be the Ace and King of trumps!
