6♠ by North
Lead: ♣Q

When NORTH makes a slam try with a jump to 3♠, the best approach for SOUTH is to agree on the trump suit immediately but indicate a minimum hand by bidding 4♠.

NORTH's next move is logical; RKCB 4NT.

SOUTH shows zero or three Key Cards, and since it could not possibly be zero, NORTH knows they are the ♠K and both red Aces. Even possessing all the Key Cards NORTH knows there aren't enough points for a Grand slam.

1. Roman Key Card Blackwood
2. 2 key cards without the trump queen

7NT by South
Lead: ♠Q

It is usually not recommended to use any form of Blackwood when you have a suit with two quick losers, but SOUTH knows NORTH would not preempt with a 10-high ♥ suit.

NORTH's reply to RKCB is 5♥, showing two Key Cards. SOUTH knows they are the ♥A ♥K so she can count thirteen tricks.

She bids a confident 7NT (and hopes NORTH didn't open 3♥ with a 6-card suit.

5♠ by North
Lead: ♣4

NORTH has 21 points, and when she hears SOUTH make a limit raise she tries for slam with RKCB.

SOUTH answers with just one Key Card so NORTH stops at 5♠, knowing they are missing two Key Cards.

Of course she didn't expect the two missing Key Cards to be the Ace and King of trumps!

4NT by South
Lead: ♠9

What is this doing here in the RKCB Practice Pages?

To emphasize that there are many 4NT bids which are NOT asking for Aces.

In this case, SOUTH showed a balanced hand with 18 or 19 points, and NORTH invited him to bid 6NT if he felt his hand was a "maximum". He didn't, so he passed.

6♥ by North
Lead: ♣K

When SOUTH makes a Splinter bid, showing ♥ support and ♣ shortness, NORTH naturally thinks about slam.

She uses RKCB 4NT, and SOUTH, with one Key Card and a ♣ Void, bids 6♣.

Just what NORTH needed for the 6♥ bid.

6♠ by South
Lead: ♦J

NORTH thinks they should be in slam, and uses Stayman to check for a 4-4 Major fit.

When SOUTH announces four ♠s NORTH uses RKCB 4NT.

SOUTH's 5♠ bid shows two Key Cards plus the ♠Q.

This fills the holes in NORTH's hand nicely, so she bids 6♠.
