**Stayman and Jacoby Transfers**

The Stayman convention is used to find a 4-4 Major suit fit after one partner has opened 1NT or 2NT. Responder bids an artificial 2♣ and the Notrump bidder then bids a 4-card Major if she has one, or 2 or 3 ♦ otherwise.

The Jacoby Transfer convention is used to uncover a 5-3 Major suit fit after one partner has opened 1NT or 2NT. A response of ♦s asks opener to bid ♥s, a response of ♥s asks opener to bid ♠s.

The two conventions complement each other, that's why they are together in this set of practices.

4♠ by North
Lead: ♥J

Even with a 6-card ♠ suit NORTH uses Stayman because he also has a 4-card ♥ suit. Given a choice, playing a 4-4 Major fit is usually preferable to a 6-2 or even a 6-3 fit.

But here SOUTH doesn't have four ♥s so NORTH just bids the game where he knows the partnership holds eight trumps.

6♥ by East
Lead: ♠10

EAST breaks the expected Transfer sequence by jumping to 3♥ instead of bidding just 2♥. This is called the "Super Accept" and it shows a hand with four of the trump suit with maximum point count.

WEST's ♣ bid and EAST's ♦ bid are Control bids, showing first round control of the suit that was bid.

4♠ by South
Lead: ♥J

NORTH uses Stayman because he has a 4-card ♠ suit.

SOUTH's 2♥ response wasn't exactly what NORTH was hoping for, so NORTH decides to bid 3NT.

SOUTH absolutely knows that NORTH holds a 4-card Major - and also knows that it isn't ♥s. So SOUTH bids 4♠.

2♥ by West
Lead: ♥10

EAST has a rotten hand, and many players would just pass 1NT.

But EAST figures that having WEST play any 4-4 fit would be better than 1NT so he bids 2♣, Stayman. This is called "Garbage Stayman", and you can see why.

WEST bids 2♥ and EAST passes. He would have passed either 2♠ or 2♦ also.

3NT by North
Lead: ♥2

Just having a 4-card Major doesn't mean you must automatically use Stayman.

Here SOUTH has a 4-card ♠ suit, but decides not to seek a 4-4 fit because his hand wouldn't have any ruffing values in a ♠ contract. He bids 3NT.

Notice that even though NORTH also has four ♠s the 4-4 fit is not useful to them in a ♠ contract because neither hand can ruff any losers.

4♠ by East
Lead: ♥2

WEST has an invitational (9 point) hand with five ♠s.

She bids it in the standard way - first transfer EAST to ♠s, then invite the game by bidding 2NT.

EAST, with 17 points and three ♠s, accepts the game invitation and chooses 4♠.
