Weak Two-bids
Open 2♦, 2♥ or 2♠ with a 6-card suit headed by some honors and fewer 4-9 HCP.

Response of a new suit is not forcing. (Note: some pairs play this 1-round force)
Raise of Opener's suit is to play.
Response of 2NT is forcing and asks for further information.
After 2NT Response, Opener bids:
  3 of original suit to show a weak hand
  3 of another suit to show a good hand with high card in that suit
  3NT with a suit of A K Q x x x

Preemptive Bids
An opening bid of 3 of any suit shows a 7-card suit and less than opening hand.

This is primarily a defensive bid, and you should be mindful of vulnerability, being more cautious when you are Vulnerable against Non-Vulnerable opponents. For these Deals assume neither side is Vulnerable.
As a rule of thumb, Responder should assume Opener can win six tricks and bid accordingly.

Here SOUTH has the kind of hand you need to raise a preempt to game.

SOUTH assumes that NORTH has a hand with six winners in it. He can provide four more, so that is just enough for game. He bids 4♥.

4♠ by East
Lead: ♦K

EAST has a 7-card ♠ suit but he is too strong to open with a preemptive bid. So he opens 1♠ instead.

WEST should respond 2♣, and EAST can do nothing but rebid the ♠ suit.

WEST thinks there should be game and bids 4♠

4♥ by South
Lead: ♠J

SOUTH is too weak to open 1♥ but just right for 2♥.

Wow! NORTH has 21 HCP and two good ♥s. Could this be time for a slam try?

Nope, no slam here. Suppose SOUTH has six ♥s headed by the AK. The trump suit would certainly be solid, but then SOUTH couldn't possibly have an outside Ace as well or he would have been too strong for a Weak-two opening. So NORTH just bids 4♥.

EAST really hates that 2♥ opening by WEST.

But there's no sense bidding and probably making matters worse, so she grits her teeth and passes.

If you think 3NT has a chance you are delusional.
