You must make a weak response, and in theory there are 3 weak responses you could make with this hand. You could bid 2♣, 1♠ or 1NT. And while none of them would be actually incorrect the best choice is to show your 4-card Major.

You bid 1♠. Partner jumps to 3♠.

You started with just 6 points, and after discovering the ♠ fit you revalue all the way up to 7 points. Partner has shown 16-18 and that's still not enough for game. You pass.

| 4♥ by South |       |      |       |

Your top priority as responder is to show a Major suit if you have one, so you say 1♥. Partner jumps to 3♥.

Partner knows you may have only 6 points and went to the 3-level anyway. He is inviting you to bid game if you have a bit more than the 6 you promised. You revalue up to 10 so you have quite a bit more. You accept his invitation and bid 4♥.

| 5 ♠ by South |       |      |       |

You have a very big hand. But there is no need to start jumping before you know whether you have a fit. So just bid 1 ♠, partner cannot pass this bid.

Partner now surprises you with a jump to 3 ♠!.

Wow! Partner has 16 and you have more than that. Slam appears certain, by why not check for Aces? So you bid 4NT and partner answers 5 ♣. What do you say next?

You probably say "Oh Darn!" or perhaps something less printable. But then you just sign off at 5 ♠.

That is great support, but always remember when supporting a Minor that partner might have only 3 of them. So you bid 2 ♦. Partner jumps to 4 ♦.

You were cautious with your first bid, but that is over now. Partner didn't open with a 3-card suit, he really has ♦s. He bypassed 3NT in a flash, so he has no interest in playing anywhere but a ♦ contract. He invites you to bid game if you have something extra above the 6 points you already promised. You have a lot more than that, so you bid 5 ♦.
