You have 15 points and you respond 1♠. Partner rebids 2♦. What do you say next?

You would love to play 4♠ if partner has 3♠s. Or, you would love partner to play 3NT if he has ♣s stopped.

So you say 3♣ (FSF) to find out if either possibility exists. Partner does have ♣s stopped and bids 3NT.

With both 4-card minors you open 1♦. Partner responds 1♠.

You cannot bid 2♥ since you are not strong enough to reverse, so you bid 2♣.

Partner jumps to 3♥.

Since partner jumped this is **NOT** FSF. Partner has a ♥ suit and a pretty good hand to go with it. You also have a ♥ suit so you bid 4♥.

You have a totally square 13 points. Still, you don't want to ignore a 4-card ♠ suit so you respond 1 ♠. Partner rebids 2 ♦. What do you say next?

You COULD bid 3 ♣, FSF, to find out if partner has a ♣ stopper but that would be pointless. You already know of an 8-card ♥ fit so you say 4 ♥.

♣ K 5 4

With both 4-card minors you open 1♦. Partner responds 1♠.

You cannot support ♠s with only 3 of them. Instead you bid 2♣. Partner says 2♥.

This is FSF, asking you to further describe your hand, and you have a problem. You do have a ♥ stopper so you COULD bid 2NT. You also have 3 ♠s so you COULD bid 2♠. Either way might turn out best, but that ♥K looks pretty lonesome so you choose 2♠ and partner raises to 4♠.

You respond 2♣. Partner rebids 2♦. What is your next bid?

With 13 HCP and that ♣ suit you could jump to 4♣. However, that would sail you right past 3NT which is very likely to turn out your best game. Rather than rebid ♣s, find out whether partner has ♠s stopped by using FSF.

You bid 2♠ and partner then says 2NT. Where do you go from here?

It couldn't have worked out better. Notrump played from partner's side. You bid 3NT.

There is only one possibility; you open 1♣. Partner responds 1♦.

You rebid "up-the-line", so you now say 1♥. Partner says 1♠.

Be careful! This is NOT Fourth Suit Forcing. It is true that you are forced to bid, but the difference is that in this sequence partner has a real ♠ suit. With 4-card support you bid 2♠ and partner raises to 4♠.
