4♠ by South			

North opens 1NT.

You transfer of course, but to which Major? It can work either way, but the preferred method is to first transfer partner to ♥s when you have an invitational hand. So you bid 2♦, and partner of course says 2♥.

You now show your second 5-card Major by bidding 2♠.

At this point partner becomes the Captain. You have described an invitational (9 point) hand with 5-5 in the Majors. Partner's next bid should set the contract wherever he chooses. In this case, with a maximum 1NT opener and 3 ♠s he picks 4♠.

Note that you must have at least one Major suit fit since partner cannot have a doubleton in both.

4♥ by South			

North opens 1NT.

This is the sequel to Deal 6. You are 5-5 in the Majors again, but this time you have game forcing strength.

The preferred method for this hand is to transfer partner to ♠s, so you bid 2♥.

What do you bid after partner completes the transfer?

You show your second 5-card Major by bidding 3♥. Since this shows game-forcing strength (11+ points) partner may not pass, but must bid either 4♥ or 4♠. In this Deal he naturally bids 4♥.

If you held an even stronger hand and wished to move toward a slam you would start out the same way but then bid again after partner's game bid.

South opens 1NT.

Initiate the transfer by bidding 2♥. After partner responds 2♠

Your bid of a minor suit here shows at least 4 cards and is a slam try. With a weaker hand you would probably just bid 2NT or 3NT.

Having made the try, you accept whatever partner decides. In this case, with a 15 point minimum, a doubleton ♠ and no ♣ fit, partner settles on 3NT.

6NT by South
you are on the same wavelength.

Here both partners understood the bid and South bid 6NT.

South opens 1NT.

With 16 points you have to be thinking about slam.
But first things first, start the transfer process by
bidding 2♥.

What is your next bid after partner's 2♠?

With 16 points you want to make an invitation to
slam, but you also need to let partner know that you
only have 5 ♠s so that he can play notrump when he
only has a doubleton ♠.

The **BEST** way to say both these things is to bid
4NT. This is similar to the 2NT bid in Deal 2.

But you can see the problem with the bid - if partner
mistakes it for Blackwood 4NT things could get very
confused. So don't use this unless you know both of

West	North	East	South
			2NT
Pass	3♦	Pass	3♥
Pass	3NT	Pass	4♥
All Pass			
4♥ by South			

South opens 2NT showing a balanced 20-21 point hand.

Jacoby Transfers work fine with 2NT openings also. You should bid 3♦ as a transfer to ♥s. Partner complies by saying 3♥.

You bid 3NT which tells partner you have just 5 ♥s and lets him decide on which game to play.

On this Deal partner has 3 ♥s so he bids on to 4♥.

Notice that when partner opens 2NT the invitation to game option is no longer available. As responder you must decide immediately whether to stop short of game (by transferring then passing) or to go to game. This is not a serious problem since the tighter (20-21) point range makes responder's decision easier to make.
