West	North	East	South
1NT	Pass	2♦	2♠
Pass	Pass	Dbl	
All Pass			
2♠ by South			

You open 1NT and partner responds 2♦. However, your Right Hand Opponent injects a 2♠ overcall.

It is usually correct to pass in this situation, particularly if you are not strong in partner's suit. So you pass and partner doubles.

Partner's double is called a Cooperative Double. It doesn't mean he has a ♠ stack, it just means that your side has the balance of power and South may have over-reached himself.

If you had good ♥s you might bid them now. Or, it is possible that you could make 3NT. But it is likely that you are going to make a bigger score in penalties so you pass.
