With 11 points and a good suit you should make a positive response. So you bid 2♥. Partner then says 4NT. What is your bid?

The 4NT bid agrees ♥s as trump. You have one Key-Card, the ♥K, but you also have a void in ♣s. You therefore answer 6♣. Partner goes all the way to 7♥.

5♠ by South

The bidding has been as shown.

Partner has 15-17 points and 4 ♠s. You have 18 points and 4 ♠s. You plan to bid the slam, but first you check Key-Cards. So you bid 4NT. Partner says 5♣.

You are missing 1 Key-Card. Slam has become less certain. You decide to see if partner has the trump Queen so you bid 5♦. Partner bids 5♠. What do you say next?

Partner denies having the ♠Q. Knowing that the best you could hope for would be a finesse to make the slam you give up your quest and pass.

Your 2♥ bid is a Reverse, showing 17+ points.

There has been no agreement on trumps, so you assume that North has implicitly agreed to ♥s. So you respond 5♣, showing 4 Key-Cards, three Aces and the ♥K. Partner next bids 5♦.

5♦ is the Queen Ask. Partner obviously is thinking about a Grand Slam and wants to know whether you hold the trump Queen (♥Q). Since you do not have the card you return to the agreed trump suit at the lowest level - which is 5♥. Partner now bids 6♥.

The bidding has been as shown. Yes, you could have jump-shifted on your first bid.

Slam in ♥s is almost certain, but you should check for Key-Cards. You bid 4NT and partner says 5 ♣.

Partner shows 1 or 4 Key-cards. Since he jumped on the second round you figure it must be 4. So you have all the Key-Cards. Time to find out about the other Kings, so you bid 5NT. Partner replies 6 ♦.

Partner has 1 King, the only one left, the ♦K. You can count about 17 high-card tricks available so you bid 7NT.

6♥ by South

Your 3♠ bid is a Splinter, agreeing ♥s as trump, and showing opening hand strength with a singleton or void in ♠s.

You have one Key-Card, the ♥A. You also have a ♠ void, but since bidding 6♠ would take you above the 6♥ level you just respond 6♥. Partner will deduce that your void is in ♠s, particularly because you Splintered in that suit. Partner passes your 6♥ bid.
