You dealt this hand.

With 10 points and a great 6-card suit this is a perfect Weak 2-Bid. You open 2♦. East passes and partner jumps to 4♦. West passes.

This is not an invitation to bid game. If partner had game interest he would bid 2NT. Apparently he is trying to preempt the opponents out of their hand and apparently it is working. You pass.

You dealt this hand.

You open with a Weak 2-Bid, 2♥. Partner responds 2NT. What do you say next?

The 2NT bid is forcing. Your ♦K is a feature, but your immediate priority is to let partner know that you have a minimum strength opener, 6, 7 or 8 points. So you rebid 3♥. Partner passes.

3♠ by North			

You dealt this hand.

You open with a Weak 2-Bid, 2♠. Partner responds 2NT. What do you say next?

The 2NT bid is forcing. You have 11 points so you cannot reply 3♠. And your suit is not A K Q x x x so you cannot reply 3NT. That means you must bid a "feature" and your ♥Q is the best you have. You bid 3♥ and partner says 3♠.

Pass. When you have already described your hand perfectly, partner becomes the Captain.

You should jump to 4♠, hoping to shut them out of their ♥ slam. As you can see they have at most one ♠ loser. Down 3 doubled for your side is much better than letting them bid and make a slam. Of course we know they should have continued bidding, but opponents sometimes make mistakes.
