If you had been the dealer you would have opened 2 ♠. The situation is no different after they open so you Overcall 2 ♠. Everybody passes.

You don't like to take partner out of his overcalled suit without good reason. Here you have good reason. So you bid 1 ♠. Partner replies 2 ♠. What do you say next?

You expect partner to have three trumps, but he has made a minimum bid. So you take the conservative route and pass.

You have a nice easy decision here. You overcall 1 ♥. Then partner bids 1 ♠. What do you say next?

Whether you play a change of suit as forcing or not, your hand certainly qualifies as one where you should make a bid. Partner doesn't really like your ♥s but you are quite satisfied to play in ♠s. So you bid 2 ♠. Partner jumps to 4 ♠ and that closes out the auction.

You treat partner's 1NT Overcall the same as a 1NT Opening. You use Stayman and bid 2♣. Partner replies 2♥. What is your next bid?

You have 9 points, an invitational strength hand. You bid 3♥, inviting partner to go to game with a maximum. He declines your invitation.

You have a sound 2-level overcall. You bid 2 ♣ and partner replies 2 ♠. What is your next bid?

Partner's cue-bid obviously forces you to bid.

Partner's hand might be very distributional, but rather than just sticking to ♣s you suggest with 2NT. This guarantees you have ♠s stopped. Partner likes your suggestion and bids 3NT.

Balanced hand, poor support for partner's suit, stoppers in their suit and 13 points. You couldn't get a better hand to jump to 2NT. Partner takes you to 3NT.
