

Jacoby Two Notrump

A 2NT response to a Major sit opening promises at least 4-card support and at least opening hand strength. It is absolutely forcing to game.

Opener's second bid describes her hand further:

4 of the Major shows a minimum featureless hand

3NT shows extra strength and a 5-card trump suit

3 of the Major shows extra strength and a 6+ card trump suit

3 of any other suit shows shortness (singleton or void)

4 of any other suit shows a second 5-card suit

Splinter Bids

A double-jump-shift as a response to partner's opening 1 of a Major suit is a Splinter bid. It shows opening hand strength, at least four card support for the Major, and a singleton or void in the "splintered" suit. It is absolutely forcing to game.

BakerBridge has complete lessons for these conventions.

NORTH bids 4♣ after SOUTH's Jacoby 2NT.
The reason for this bid is just to describe

her hand as having a side 5-card ♣ suit.
NORTH knows the eventual contract will

be some level of

s.

SOUTH doesn't have a strong hand, but he
would show

this time if he had the Ace. He isn't strong enough to go past game to show the ♠A, so he

just bids 4

.

WEST should not be tempted to use Jacoby 2NT with this hand. There are only 12 points, and

the Limit Raise is a perfect way to show a 12 point support hand.

EAST has more than enough strength to bid game after WEST's limit raise. If WEST had

mistakenly used a Jacoby 2NT response, EAST would probably have tried to reach slam,

and perhaps gotten too high.

Baker Bidpractice/Set9 19

SOUTH bids 3NT to show a good hand with five ♠s.

NORTH shows his

♦

control, and SOUTH then shows her

♥

control.

A final check with Blackwood shows two Aces missing. Too bad.

Baker Bidpractice/Set9 20

WEST shows his 6-card ♠ suit by bidding 3♠.

EAST shows her ♣ control and WEST shows his

control,

but it seems neither has a control in

s.

So they stop in game.
