♣ 2

This is the companion hand to Deal 18.

Again, SOUTH uses RKCB after the 4-4 ♠ fit is discovered. This time NORTH shows two Key Cards without the ♠ Q.

Now SOUTH realizes that in addition to one outside Ace, there is a very possible loser in trumps. So she stops at 5♠.

3NT			
All Pass			
3NT by East			

The chances of a slam on this hand are very small, and if EAST decides to use RKCB it will just confuse matters when WEST shows two Key Cards.

EAST has a better way to find out about the hand. She bids 2NT asking WEST to further describe his hand. WEST should then bid 3NT, showing a solid suit headed by AKQ.

WEST cannot have as much as an extra Jack, so EAST just passes 3NT.

SOUTH realizes NORTH has fewer than 8 points, but the 3♠ support bid is enough for her to try a RKCB 4NT bid.

NORTH shows two Key Cards and SOUTH figures they will be the ♠K and one of the red Aces. So she bids 6♠. If instead the Key Cards are the two red Aces SOUTH might possibly make all thirteen tricks with a finesse.

5♦	Pass	6♥	
All Pass			
6♥ by West			

EAST's 3♥ bid is "encouraging" so WEST bids 4NT.

When EAST shows one Key Card, (an Ace), WEST is afraid he may have a trump loser as well the other Ace. To find out about the ♥Q he bids 5♦, the Queen Ask.

EAST has the ♥Q but no King so she jumps to 6♥.

6♥ by North			

This is the companion to Deal 22.

Again, worried about a possible trump loser in addition to the missing Ace, NORTH bids 5♦, the Queen Ask.

SOUTH definitely does NOT have the ♥Q. But with five trumps she does know that NORTH probably does not have a trump loser so she jumps to 6♥ anyway.

WEST cannot use RKCB at her second bid because trumps have not been agreed. So she bids 3♥ to set trumps, knowing EAST cannot pass after her jump-shift.

EAST tries to stop at game but WEST is too strong so she now uses RKCB and gets to 6♥ when EAST shows two Key Cards and the trump Queen.
