5 ♣ by South			

This is the companion to Deal 6. The cards are the same except that the ♦s and ♣s have been swapped.

Again, NORTH has no problem as long as SOUTH holds at least one Key-card. When SOUTH responds 5 ♣, (showing one Key-card), NORTH can pass.

That's what happens here.

NORTH needs to know how many Aces SOUTH holds.

One way to find out would be to bid 3♠, (which is forcing), then launch Blackwood.

Another way is to bid 4♣ (Gerber) right now.

The first way is probably better but we needed a Gerber example.

♣ 9 7 6 2

SOUTH's positive response shows 8+ points and five or more cards headed by at least two honors.

NORTH figures a small slam would be safe, but just to be sure she uses Blackwood.

SOUTH's 6♦ reply shows one Key-card which must be the trump King, and a ♦ void!.

NORTH readjusts her thinking and decides to bid the Grand.

♣ 8 7

SOUTH jumps in ♥s, showing a good suit and slam interest.

NORTH has great ♥ support so bids RKCB 4NT.

SOUTH responds 5♠, showing two Key Cards and the ♥Q.

That is enough for NORTH to bid the slam.

7NT by South			

When NORTH agrees to ♠s, SOUTH will not stop short of a slam. The RKCB 4NT bid tells SOUTH that they have all five Key Cards since NORTH could hardly have a 2♣ opening hand with no Aces.

SOUTH's 5♥ bid is the Queen Ask, and NORTH's reply confirms that she holds the ♠Q, and also has the ♣K.

SOUTH figures the ♠ suit will run, and this should be enough for Grand Slam. He chooses 7NT.

SOUTH knows there are enough points for slam, but she is worried about the trump suit. NORTH's support doesn't guarantee more than three ♠s, and if they are not headed by the Queen she could lose a trump trick.

Her RKCB bid relieves her mind when SOUTH claims two Key Cards PLUS the ♠Q. She bids 6♠ (and hopes for a 3-2 trump split!).
