NORTH has a decent Limit Raise, and SOUTH tries RKC Blackwood.

NORTH replies to the 4NT bid with 5♦, zero or three Keycards. So which is it, zero or three?

Pretty simple - since SOUTH holds three Keycards himself NORTH can hardly have three also since there are only five total. She must have zero and SOUTH signs off at 5♥.

NORTH jumps to 4♠, confident that SOUTH could make 10 tricks even if he just has 6 points.

SOUTH knows he can make more and bids RKCB 4NT.

NORTH's 5♦ response shows zero or three Keycards. So which is it? Zero or three?

NORTH bid much too strongly to have no Aces. SOUTH bids a confident 6♠, knowing NORTH has either three Aces or two Aces plus the ♠K.

SOUTH has interest in slam after she hears NORTH's Limit Raise. BUT, she should not use Blackwood holding two quick losers in the ♦ suit.

Instead she makes a Control showing bid of 4♣.
(Not Gerber since it didn't follow a NT bid.)

NORTH cooperates by making a Control bid of 4♥.

SOUTH stops at 4♠ because neither partner controls ♦s.

NORTH decides it is unlikely that SOUTH is Aceless, so all he wants to know is the number of Aces SOUTH does have. He invokes RKC Blackwood.

Since no trump suit has been agreed, SOUTH bids as if ♦s, the last-bid suit prior to 4NT is agreed. SOUTH has two Key-cards plus the trump Queen, so she bids 5 ♠.

NORTH bids 6 ♦. If SOUTH had just one Key-card, NORTH would bid 5 ♦ over the 5 ♣ reply.

NORTH needs to know how many Aces SOUTH holds.

One way to find out would be to bid 3♠, (which is forcing), then launch Blackwood.

Another way is to bid 4♣ (Gerber) right now.

The first way is probably better but we needed a Gerber example.

When NORTH agrees to ♠s, SOUTH will not stop short of a slam. The RKCB 4NT bid tells SOUTH that they have all five Key Cards since NORTH could hardly have a 2♣ opening hand with no Aces.

SOUTH's 5♥ bid is the Queen Ask, and NORTH's reply confirms that she holds the ♠Q, and also has the ♣K.

SOUTH figures the ♠ suit will run, and this should be enough for Grand Slam. He chooses 7NT.

When SOUTH makes a slam try with a jump to 3♠, the best approach for NORTH is to agree on the trump suit immediately but indicate a minimum hand by bidding 4♠.

SOUTH's next move is logical; RKCB 4NT.

NORTH shows zero or three Key Cards, and since it could not possibly be zero, SOUTH knows they are the ♠K and both red Aces. Even possessing all the Key Cards SOUTH knows there aren't enough points for a Grand slam.
