

Strong 2-♣ Opening

Open 2♣ on any hand containing 22 or more points.

OR, open 2♣ with a hand containing 19-21 points and with 9+ playing tricks.

There are several methods of responding. For these Deals use the 2♦ Negative for all hands with 7 or fewer points. Any other response shows 8 or more points.

The 2♣ bid is artificial; Opener's second bid describes her hand.

2NT shows a balanced 22-24 point hand

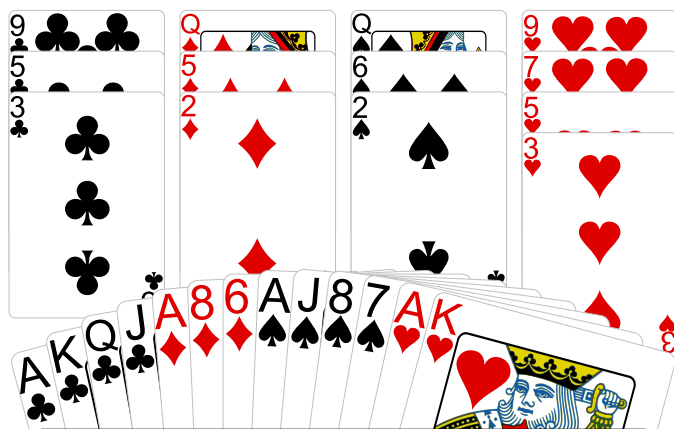

3NT shows a balanced 25-27 point hand

2 of a suit shows a 5-card or longer suit

With a very weak hand (0-3 points) Responder should bid the "second negative" at his second turn. This is usually 3♣, but if Opener bids 3♣ then it is 3♦. If Opener should bid 3♦ at his second turn the second negative bid is 3♥.

Later bidding depends on the partnership, but unless particular conventions are in use then later bidding is natural.

3NT by North			

Baker Bidpractice/Set6 5

NORTH has lots of points - 26 to be exact. She opens 2♣.

In the old days this hand would have been opened 3NT.

SOUTH has 4 points and responds 2

♦

.

NORTH now shows her full strength by jumping to 3NT (25-27 points, balanced).

SOUTH knows there is no slam, so he passes 3NT.

When SOUTH shows one Ace NORTH bids 6

♥

.

Baker Bidpractice/Set6 7

NORTH has a nice 2♣ opening hand.

With 8 points, SOUTH can make a positive response so he bids his 5-card

♥

suit.

NORTH likes

♥

s, knows there are at least 33 points, but needs to make

sure the opponents don't have two Aces so she uses Blackwood.
