

Strong 2-♣ Opening

Open 2♣ on any hand containing 22 or more points.

OR, open 2♣ with a hand containing 19-21 points and with 9+ playing tricks.

There are several methods of responding. For these Deals use the 2♦ Negative for all hands with 7 or fewer points. Any other response shows 8 or more points.

The 2♣ bid is artificial; Opener's second bid describes her hand.

2NT shows a balanced 22-24 point hand

3NT shows a balanced 25-27 point hand

2 of a suit shows a 5-card or longer suit

With a very weak hand (0-3 points) Responder should bid the "second negative" at his second turn. This is usually 3♣, but if Opener bids 3♣ then it is 3♦. If Opener should bid 3♦ at his second turn the second negative bid is 3♥.

Later bidding depends on the partnership, but unless particular conventions are in use then later bidding is natural.

SOUTH has 5 points, so she responds 2

♦

to NORTH's opening 2♣ bid.

NORTH bids his 5-card ♠ suit.

SOUTH is too good for the second negative, so she supports NORTH's ♠.

NORTH doesn't have enough to think about slam, so he signs off at 4♠.

WEST opens 2♣ with her balanced 25 points.

EAST has 9 points but no 5-card suit. He should make a positive response of 2NT.

WEST figures EAST for 8 points and bids 6NT. If EAST has significantly more than

8 it will be up to him to go to 7NT. But he doesn't.

Baker Bidpractice/Set6 19

After EAST's 2♣ opening, WEST bids 2NT, showing a balanced hand of at least 8 points. WEST

actually has 12 points, but the time to show the extra strength will be later.

EAST's 3♣ bid is Stayman, asking WEST for a 4-card Major. WEST mentions his ♠s and

EAST bids 4♠, showing a minimum 2♣ opener with 4 ♠s.

Now WEST adds his 12 points to EAST's 22 minimum and gets 34. He bids 6♠.

SOUTH has 3 points, so she responds 2

♦

to NORTH's opening 2♣ bid,

then bids 3♣ as a second-negative when NORTH bids 2♠.

However, when NORTH then bids

♥

s, SOUTH finds two more points

and bids 4

♥

.
