

Notrump Bidding

This set of practice deals is about very basic bidding using only Notrump bids.

The purpose of these deals is to provide practice in deciding whether to stop at a part score, bid game or bid slam. The important point is figuring out how many combined points the partnership has.

Keep in mind:

- open 1NT with 15-17 points and balanced* distribution

- open 2NT with 20-21 points and balanced* distribution

- with 25 or fewer points the partnership should stop at 1NT or 2NT

- with 26 - 32 points the partnership should bid to 3NT

- with 33 - 36 points the partnership should bid to 6NT

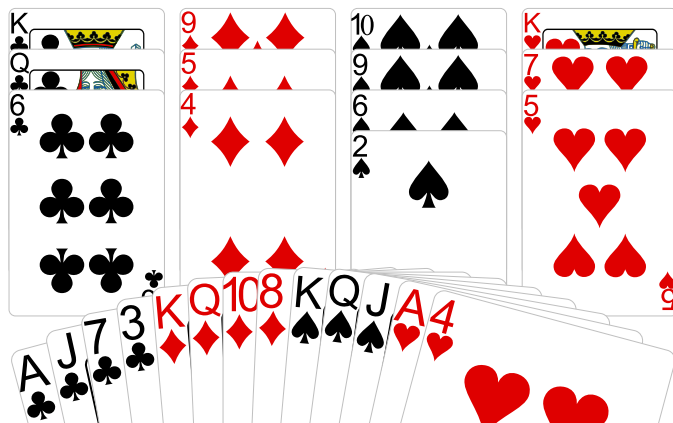

*balanced means either 4-3-3-3, 4-4-3-2 or 5-3-3-2

3NT by North			

Baker Bidpractice/Set1 9

NORTH has an mid-range 1NT opener; a balanced hand with 16 points.

SOUTH has 9 points. He bids 2NT, asking NORTH to pass if she has 15 or bid 3NT if she has 17.

But NORTH has 16 points, which leaves her with no clear choice.

In this case she must decide whether her hand is a "good" 16 points or a "poor" 16 points.

Since her supporting cards are mostly 10's, 9's and 8's she figures it as "good"

and bids 3NT.

3NT by East			

Baker Bidpractice/Set1 10

EAST has 20 points and 4-4-3-2 distribution, so he opens 2NT.

WEST has 8 points. She adds EAST's 20 or 21 for a total of 28 or 29, enough for game but

nowhere close to the slam requirement. So she bids 3NT and EAST passes.

Baker Bidpractice/Set1 12

WEST has a minimum 1NT opening hand -
balanced distribution with 15 points.

EAST has 9 points, which is not enough to bid
game, but is worth making an invitational bid.

So she says 2NT.

Since WEST is minimum he declines the
invitation by passing.
