

Notrump Bidding

This set of practice deals is about very basic bidding using only Notrump bids.

The purpose of these deals is to provide practice in deciding whether to stop at a part score, bid game or bid slam. The important point is figuring out how many combined points the partnership has.

Keep in mind:

- open 1NT with 15-17 points and balanced* distribution

- open 2NT with 20-21 points and balanced* distribution

- with 25 or fewer points the partnership should stop at 1NT or 2NT

- with 26 - 32 points the partnership should bid to 3NT

- with 33 - 36 points the partnership should bid to 6NT

*balanced means either 4-3-3-3, 4-4-3-2 or 5-3-3-2

EAST has a minimum 1NT opening hand - balanced distribution with 15 points.

WEST has 9 points, which is not enough to bid game, but is worth making an invitational bid.

So she says 2NT.

Since EAST is minimum he declines the invitation by passing.

to 6NT.

Baker Bidpractice/Set1 14

The partner who is first sure what the final contract should be should just go ahead and bid it.

This is called "She who knows, goes."

In this deal, for example, it is EAST who knows. She has a balanced 14 points, so when WEST indicates

20/21 points with his opening 2NT bid she

KNOWS

the partnership holds about 34/35 points.

NORTH has a balanced 20 point hand - ideal to open 2NT.

SOUTH has 7 points; he knows the partnership has either 27 or 28 points so he bids 3NT.
