3NT by South			

Baker Bidpractice/Set1 6

With 9 points NORTH is unable to decide the final contract. If SOUTH has 17 points then the partnership

should be playing 3NT. If SOUTH opened with just 15 points then 3NT will be too high..

So NORTH makes the temporizing bid of 2NT. This tells SOUTH that he must make the final call - go on to

game if he has maximum, pass if he has minimum. On this Deal SOUTH has 17 points so he bids 3NT.

2NT by South

Baker Bidpractice/Set1 7

This time SOUTH has a minimum 1NT opener; a balanced hand with 15 points.

NORTH has 9 points; he knows that the partnership is somewhere between

24 (9 + 15) and 26 (9 + 17). So he invites with a 2NT bid.

SOUTH, with a minimum, declines the invitation by passing.

Baker Bidpractice/Set1 8

SOUTH has a strong hand, 20 points and balanced distribution.

It is just right to open 2NT (20-21 points).

NORTH adds her 2 points to SOUTH's promised number of 20 or 21. Since she doesn't reach the

magic game number of 26 points she just passes.

3NT by South			

Baker Bidpractice/Set1 9

SOUTH has an mid-range 1NT opener; a balanced hand with 16 points.

NORTH has 9 points. He bids 2NT, asking SOUTH to pass if she has 15 or bid 3NT if she has 17.

But SOUTH has 16 points, which leaves her with no clear choice.

In this case she must decide whether her hand is a "good" 16 points or a "poor" 16 points.

Since her supporting cards are mostly 10's, 9's and 8's she figures it as "good"

and bids 3NT.

Baker Bidpractice/Set1 10

SOUTH has 20 points and 4-4-3-2 distribution, so he opens 2NT.

NORTH has 8 points. She adds SOUTH's 20 or 21 for a total of 28 or 29, enough for game but

nowhere close to the slam requirement. So she bids 3NT and SOUTH passes.
