2NT by North			

Baker Bidpractice/Set1 7

This time NORTH has a minimum 1NT opener; a balanced hand with 15 points.

SOUTH has 9 points; he knows that the partnership is somewhere between

24 (9 + 15) and 26 (9 + 17). So he invites with a 2NT bid.

NORTH, with a minimum, declines the invitation by passing.

Baker Bidpractice/Set1 8

EAST has a strong hand, 20 points and balanced distribution.

It is just right to open 2NT (20-21 points).

WEST adds her 2 points to EAST's promised number of 20 or 21. Since she doesn't reach the

magic game number of 26 points she just passes.

3NT by South			

Baker Bidpractice/Set1 9

SOUTH has an mid-range 1NT opener; a balanced hand with 16 points.

NORTH has 9 points. He bids 2NT, asking SOUTH to pass if she has 15 or bid 3NT if she has 17.

But SOUTH has 16 points, which leaves her with no clear choice.

In this case she must decide whether her hand is a "good" 16 points or a "poor" 16 points.

Since her supporting cards are mostly 10's, 9's and 8's she figures it as "good"

and bids 3NT.

Baker Bidpractice/Set1 10

WEST has 20 points and 4-4-3-2 distribution, so he opens 2NT.

EAST has 8 points. She adds WEST's 20 or 21 for a total of 28 or 29, enough for game but

nowhere close to the slam requirement. So she bids 3NT and WEST passes.

2NT by East

Baker Bidpractice/Set1 12

EAST has a minimum 1NT opening hand -
balanced distribution with 15 points.

WEST has 9 points, which is not enough to bid
game, but is worth making an invitational bid.

So she says 2NT.

Since EAST is minimum he declines the
invitation by passing.
