

Weak Two-bids

Open 2♦, 2♥ or 2♠ with a 6-card suit headed by some honors and fewer 4-9 HCP.

Response of a new suit is not forcing. (Note: some pairs play this 1-round force)

Raise of Opener's suit is to play.

Response of 2NT is forcing and asks for further information.

After 2NT Response, Opener bids:

- 3 of original suit to show a weak hand

- 3 of another suit to show a good hand with high card in that suit

- 3NT with a suit of A K Q x x x

Preemptive Bids

An opening bid of 3 of any suit shows a 7-card suit and less than opening hand.

This is primarily a defensive bid, and you should be mindful of vulnerability, being more cautious when you are Vulnerable against Non-Vulnerable opponents. For these Deals assume neither side is Vulnerable.

As a rule of thumb, Responder should assume Opener can win six tricks and bid accordingly.

Deal 1 Ctr: 4♠ Goal: at most ____ losers

NORTH expects to be better off in ♠s than
SOUTH would be in 2

Whether or not you play a new suit as a one
round force or not, SOUTH should make the
3♠ bid with

a hand this good. NORTH then bids the ♠
game.

EAST has a pretty normal 3

opening bid.

WEST, however, has a big hand, and she launches into Blackwood.

When EAST shows one Ace WEST can bid 6

Baker Bidpractice/Set5 11

NORTH doesn't have much of a 3♣ opening bid.

But SOUTH has just the type of hand you need to bid 3NT after partner's preempt. The other three

suits well stopped, and certain entry in Opener's long suit. Notice here that 3NT is a good contract,

but 5♣ would go down 1.

When WEST opens with a Weak 2

bid, EAST knows she will

force to game but is thinking about slam.

But first she needs to know if WEST has anything extra. She bids 2NT to get more information.

WEST returns to

s to show bare minimum so EAST settles for
