

Weak Two-bids

Open 2♦, 2♥ or 2♠ with a 6-card suit headed by some honors and fewer 4-9 HCP.

Response of a new suit is not forcing. (Note: some pairs play this 1-round force)

Raise of Opener's suit is to play.

Response of 2NT is forcing and asks for further information.

After 2NT Response, Opener bids:

- 3 of original suit to show a weak hand

- 3 of another suit to show a good hand with high card in that suit

- 3NT with a suit of A K Q x x x

Preemptive Bids

An opening bid of 3 of any suit shows a 7-card suit and less than opening hand.

This is primarily a defensive bid, and you should be mindful of vulnerability, being more cautious when you are Vulnerable against Non-Vulnerable opponents. For these Deals assume neither side is Vulnerable.

As a rule of thumb, Responder should assume Opener can win six tricks and bid accordingly.

NORTH has a 7-card ♠ suit but he is too strong to open with a preemptive bid.

So he opens 1 ♠ instead.

SOUTH should respond 2 ♣, and NORTH can do nothing but rebid the ♠ suit.

SOUTH thinks there should be game and bids 4 ♠

s. Could this be time for a slam try?

Nope, no slam here. Suppose EAST has six

s headed by the AK. The trump suit

would certainly be solid, but then EAST couldn't possibly have an outside Ace as well or he would have been

too strong for a Weak-two opening. So WEST just bids 4

.

NORTH really hates that 2

opening by SOUTH.

But there's no sense bidding and probably
making matters worse, so she grits her

teeth and passes.

If you think 3NT has a chance you are
delusional.

WEST expects to be better off in ♠s than
EAST would be in 2

♥

.

Whether or not you play a new suit as a one
round force or not, EAST should make the 3 ♠
bid with

a hand this good. WEST then bids the ♠ game.

NORTH has a pretty normal 3

opening bid.

SOUTH, however, has a big hand, and she launches into Blackwood.

When NORTH shows one Ace SOUTH can bid 6

with confidence.
