

Weak Two-bids

Open 2♦, 2♥ or 2♠ with a 6-card suit headed by some honors and fewer 4-9 HCP.

Response of a new suit is not forcing. (Note: some pairs play this 1-round force)

Raise of Opener's suit is to play.

Response of 2NT is forcing and asks for further information.

After 2NT Response, Opener bids:

- 3 of original suit to show a weak hand

- 3 of another suit to show a good hand with high card in that suit

- 3NT with a suit of A K Q x x x

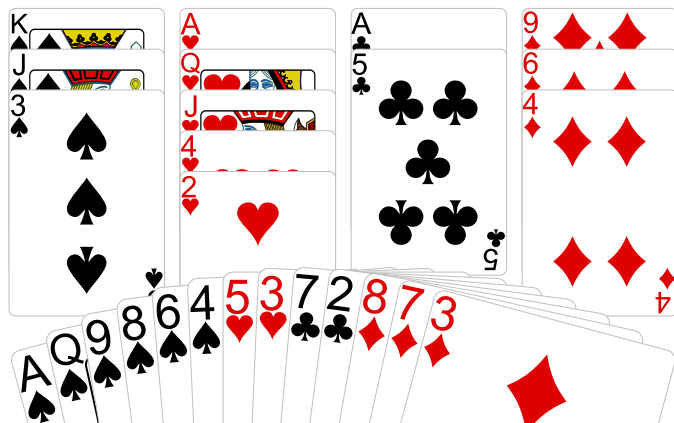

Preemptive Bids

An opening bid of 3 of any suit shows a 7-card suit and less than opening hand.

This is primarily a defensive bid, and you should be mindful of vulnerability, being more cautious when you are Vulnerable against Non-Vulnerable opponents. For these Deals assume neither side is Vulnerable.

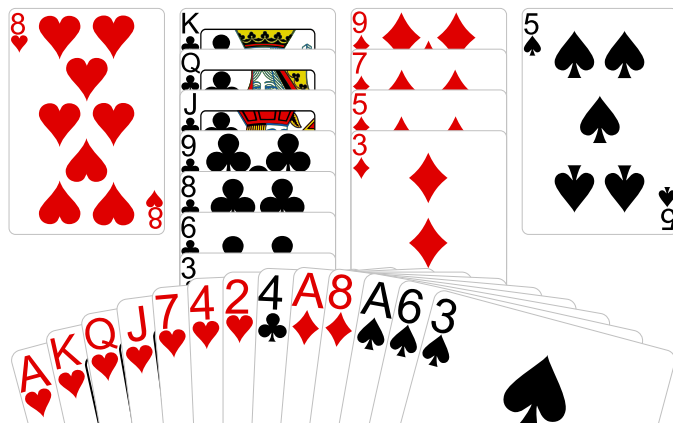

As a rule of thumb, Responder should assume Opener can win six tricks and bid accordingly.

SOUTH is unsure whether to bid game or not, so he bids 2NT to get more information about

NORTH's hand.

NORTH's 3♠ is discouraging, a hand below average in strength and no outside high card.

SOUTH passes and hopes for the best.

Most good players have an extra restriction in their Weak Two-bid guidelines - they won't

open with a Weak Two-bid when they hold an outside 4-card Major, even if the hand qualifies

otherwise. This Deal shows why.

If NORTH opened with 2♠, SOUTH might well pass and a

game

would be missed.
